CONGRATULATORY MESSAGE

PHYLLIS MBANJE

The Community Working Group on Health (CWGH) would like to congratulate Alpha Media Holdings health reporter, **Phyllis Mbanje** for scooping the Health Reporter of the Year Award in the Global Health Reporting Contest. The glamorous award is administered by the International Center for Journalists (ICFJ) in partnership with Johnson & Johnson.

Your winning this international media award did not come to us as a surprise rather a confirmation of your abilities to serve the nation and execute your duties as a Health Reporter.

This award recognizes that much of your success is directly attributable to your dedication and continuous efforts to bring out the best in the journalism industry. We at the CWGH are confident of your work and are hopeful that we will continue to work together in improving the health standards in Zimbabwe.

Once again, Congratulations!
Makorokoto! Amhlope!
